2022-23

REPORT

Name of Activity	Seminar on IPR
Date	08-06-2022
Speaker	Dr. Arvind Kumar
Venue	MBA Auditorium
Participated By	Students & Faculty Members
Activity-Incharge	Dr. Yogesh Bhomia
Objective	<p>The major objectives kept in mind while framing this Faculty Development Programmed were as follows.</p> <ul style="list-style-type: none">• To understand what research is?• How to do review of literature?• To make participants familiar with techniques for different research approaches.• To make the engineering students aware of the importance, the role and the content of IPR
Outcome of Activity	Gain better understanding on how to design a valid research project to answer specific research questions.

Name of Activity	International Yoga Day
Date	21-06-2022
Venue	Seminar Hall
Name of Expert	Dr.Arvind Kumar
Participated By	B.Tech
Activity-Incharge	Dr. Yogesh Bhomia
Content	The International Day of Yoga has been celebrated across the world annually on June 21 since 2015, following its inception in the United Nations General Assembly in 2014. Yoga is a physical, mental and spiritual practice which originated in ancient India.
Objective	<ul style="list-style-type: none">The purpose of the International Day of Yoga is to increase public awareness of the various advantages of yoga practice. Balance is the key component of yoga, not simply balance within the body or between the mind and body, but also equilibrium in one's interaction with the outside world.

REPORT

Name of Activity	Special Lecture by Dr. Deepak Gupta On Mechanical Engg.
Date	25-08-2020
Speaker	Dr. Deepak Gupta
Venue	Seminar Hall
Participated By	B.Tech ME
Activity-Incharge	Dr. Yogesh Bhomia
Objective	<p>A. Be well educated professionals who utilize their intellectual learning, applied technology experience, leadership skills and global awareness in successful careers, and continue to improve their skills through lifelong learning and advanced studies;</p> <p>B. Effectively practice as professional engineers, managers, and leaders in the maritime and energy industries and a wide variety other fields, and as licensed engineers in the merchant marine;</p> <p>C. Successfully combine fundamental engineering knowledge, core leadership skills and the practical experience gained at the Academy to turn ideas into reality for the benefit of society;</p> <p>D. Be influential members of multidisciplinary teams, creatively and effectively contributing to the design, development, and objective evaluation of engineering components, systems, and products.</p>
Outcome of Activity	Gain better understanding on how to design a valid research project to answer specific research questions.
Faculty Assigned	Dr. A.M.Tripathi
